

I Plead the Blood of Jesus!

God, I thank you for your love and the expression of that love through the giving of Your one and only Son, Jesus, whose blood was shed on the cross for me. The blood of Jesus redeems me (Ephesians 1:7), pays my sin debt and reverses every part of the curse on my life (Galatians 3:13-14). This includes sickness, disease, poverty, lack, depression, strife, addiction, and any type of bondage to sin. Because I have accepted who Jesus is and what He did for me on the cross, and because I declare Him Lord over my life, none of these things have a legal right to be in my life any longer.

I enact my legal right to plead the blood of Jesus over all of the attacks of the enemy. I apply the blood to every situation in my life. There is protection in the blood (John 10:28-30). There is deliverance in the blood (Hebrews 9:14-15). There is healing in the blood (Isaiah 53:5). There is fellowship in the blood (Hebrews 10:19-22). There is authority in the blood (Isaiah 54:17-17). There is victory in the blood (2 Corinthians 5:21). I put my entire confidence in this oath that has been established and sworn by El Shaddai, The Almighty God.

I plead the blood of Jesus...

- over my physical body,
- over my mind,
- over my finances,
- over my home and properties,
- over my ministry,
- over my businesses, and
- over my church and its leadership.

I plead the blood of Jesus...

- over my spouse,
- over my children,
- over their spouses,
- over their children, and
- over their children's children.

I plead the blood of Jesus...

- over my children's schools,
- over their childcare centers, and
- over their teachers and school leadership.

Kingdom of darkness, my Father told me that I am translated out of the authority of the kingdom of darkness and into the Kingdom of Light, so I take that authority over you (Colossians 1:13). Satan, you have no legal right to any part of my life. I plead the blood of Jesus over the good works God has ordained I should walk in. Stay away from my family, my neighborhood, my coworkers, my ministry, and my church.

I celebrate and accept everything Jesus' sacrifice has provided and I choose the covenant over the curse. You are Almighty God, El Shaddai, and no one can snatch me out of Your hand! You are my protector, You are my shield, You are my banner, You see all and You know all. You are my creator. You are my sustainer, Elohim. Jehovah is Lord and I am His.
